PRESENT FLAGS TO AM. LEGION POST

OTHER PATRIOTIC ORDERS SHOW RECOGNITION OF ORGANIZATION

DR. BRANIGER RESIGNS

Appoint Committee to Confer with G. A. R. on Lincoln Birthday Entertainment on Feb. 12.

Dr. E. C. Braniger, commander of the James Edward Gray Post, American Legion, has resigned his place as chief officer, the resignation being presented last night at a meeting of the Post held in the county clerks office in the court house. Dr. Braniger is barred from the office under the constitution of the Legion, which specifies that any member who was a holder of an elective office of government administration could be an officer of the legion. Dr. Braniger is public health officer of Nodaway county. A successor to Dr. Braniger will be elected at the next meeting of the Legion on February 5.

Flags Presented.

A recognition of the Post highly appreciated by the members was the presentation of a flag by the Women's Relief Corps for a flag, staff and bugle by the Maryville chapter, Daughters of the American Revolution. The presentation of the latter gift was made by Mrs. W. J. Montgomery regent of the chapter. The staff and bugle had been given to the home guards by the chapter and when that organization disbanded, it was their request that the staff and bugle be given to the American Legion post when it should be formed.

The W. R. C. flag will be presented to the Post through the G. A. R. at a Lincoln Day ceremony on Feb. 12. A committee was appointed to express the thanks of the Post for the gift. This committee was composed of Captain H. S. Rowlett, Walter Todd and Edward Condon.

Give Lincoln Program

A committee was also appointed to arrange with the G. A. R. for a program on Lincoln's birthday. The members of this are Theodore Robinson, Edward Condon and June Blagg.

Adjutant John Mutz, was instructed to arrange with the national committee to obtain the grave certificates of all soldiers, sailors or marines who fell in service overseas. These certificates are being furnished by the French government to the nearest relative of the deceased soldier, and will be distributed through the Legion, the latter assuming the work of obtaining the necessary records and data. The other posts of the county and will take the same work and the certificates are to be distributed on Washington's birthday, Feb. 22. Plans for the distribution have not yet been made.

A number of new members were taken in last night, bringing the total up to about one hundred members. It was voted to have the meeting nights the first and third Thursday nights in the month and the dues will be three dollars per year, one dollar of this to be national dues, which includes the subscription to the American Legion magazine and fifty cents to be paid for state dues. An entertainment committee composed of Murray Welling Ray Cook and Edward Condon, was appointed to arrange for the social affairs.

THIRD R. C. ROLL CALL COMPLETED

DECREASE IN MEMBERSHIP SINCE WAR ACTIVITIES CEASED

'SAFETY FIRST' PROGRAM

Many Important Things Planned by National Organization to be Promoted by Individual Chapters.

The Third Red Cross roll call has now been completed and the membership cards filed for the new year. While there has been a large decrease in membership since war time activities are suspended, there is still a live working organization in Nodaway county that will accomplish great good for the communities at large when the peace time program is finally developed.

Some of the important things planned by the national organization and that are being taken up and promoted by the various division headquarters are:

The installation of a public health nurse for every chapter, classes in home nursing and dietetics in the many chapters and branches, encouragement of girls to take training as nurses, a first aid movement which tend to educate the masses as to emergency treatment in time of accident or big disasters, A "saftey first" program which will bear upon safe and sanitary working conditions for the wage earners of the world.

The after care of the disabled soldier is one of the most important departments of Red Cross work and this while the main responsibility rests on the government, finds valuable assis- which is now acknowledged to be the most important feature of the peace time program.

All of these important things will have a place in the county peace program when the plan of the executive committee are fully developed. A scarcity of nurses has delayed the work of the chapter but in time one will be secured and the Red Cross activities will become an important factor in the betterment of living conditions thruout the county.

CLASS DAY PROGRAM DELIGHTS AUDIENCE

STUDENTS INTRODUCE SOME CLEVER AND NEW FEATURES

PRESENT GIFT TO H. S.

School Band also Makes its first Public Appearance. —Commencement Address Tonight.

The class day program presented last night by the graduating class of the high school at the auditorium was spoken of by many as the finest program ever staged. The class is the smallest in number ever finishing the course but what it lacked in numbers it made up in orginality, and cleverness of idea and adeptness in presentation in the program.

One of the features which took well with the audience, was the departure from the usual reading of a class prophecy and garbed as they might be supposed to be fifty years from now entered and gave in witty dialogue the history of those supposedly intervening years.

The high school band also made its first public appearance in musical numbers last night, and they received much well merited applause. They gave three sets of selections which in the school boy econium, "did them proud." It is the plan to make a permanent institution of the high school band and make such instruction a part of the study course. If this is accomplished the study will be recognized as credit work. The class play "A little Mistake" was presented with snap and vivacity and delighted the crowd present. There were five characters in the play which were taken by the five graduates, Blanche Hall, Mary Miller, Irene Maxwell, Blanche Masters, and Wilson Seiler.

William Geist, a junior, on behalf of the student body, presented each graduate with a remembrance from student body. This was an unexpected courtesy on the part of the student body and a surprise to the graduates who highly appreciated the recognition.

The outgoing class presented to the school, its farewell gift, a picture of General Pershing, framed and ready for hanging in the auditorium. This gift was received with great applause.

Tonight the commencement address will be given by the Rev. R. C. Holliday of the Methodist church South who will take for his subject, "Borrowers and Lenders." The diplomas will be awarded by George Pat Wright secretary of the school board.

Five car loads of automobiles have been unloaded on the Burlington tracks so far this week showing that there are still a few people in Maryville and vicinity who do not own cars.

Miss Mildred Miller went to St. Joseph this morning to spend the day.

OLD MAN BURNED TO DEATH AT CLYDE

LIVED ALONE IN HOUSE AT OUTSKIRTS OF TOWN.

CHARRED BODY IN CELLAR

House Entirely Burned Before Fire Was Discovered.—Pet Dogs and Chickens Burned.

Enoch Carle, an aged resident of Clyde, was burned to death early Thursday morning in a fire which destroyed his home with its contents and all outbuildings.

Carle was about seventy years old. He was a widower and lived alone in a small house at the outskirts of the town. The house stood on the far side of a hill at the northeastern edge and was not directly visible from the town. Between 12 and 1 o'clock Thursday morning the fire was noticed and by the time persons from the town reached the house it was enveloped in flames, the roof had fallen in and only a few pieces of the wall were standing.

Two pet dogs and 18 chickens were burned in the wood house and chicken coop. Every bit of the house, buildings, implements or property of any sort around the place was burned. About 9 o'clock yesterday, when the heat from the debris had sufficiently cooled to allow searchers to look for the body of Carle, who was known to have been in the house, the charred remains were found in the cellar, under burned timbers and furniture.

Carle had lived at Clyde for about forty-five years, and was one of the first settlers there. He followed railroading for a business, working until a few years ago when he quit because of failing health. He is survived by two sons, Otis Carle of St. Joseph and Grant Carle of Conception.

No solution of how the fire started can be found other than it probably started from the heating stove while Carle was asleep.

JOSHUA LANCE, FORMER RESIDENT OF COUNTY DEAD.

Joshua Lance a former resident of Nodaway county died January 7, at his home in West Liberty, Ohio. The following notice is taken from the West Liberty Banner.

Joshua Lance was born near Clinton, New Jersey, August 16, 1837, and died at his home on east Columbus street in West Liberty, Wednesday about midnight, January 7, 1920, aged 83 years.

Mr. Lance came to West Liberty, O. with his uncle, Anderson Jones, and grew to manhood here. In February, 1866, he was married to Miss Celia Jane Bair, and established their new home here. Ten years later he with his wife moved to Maryville Mo. where he resided some 16 years, then returned to West Liberty where he spent the remaining years of his life.

Having no children, Mr. and Mrs Lance took an orphan boy by the name of Peter Welch, aged 11, and cared for him until he was of age, and the young man left the home to care for himself. A young girl Miss Minne Malone Croy was also taken into the home and cared for as an own daughter. Twenty years ago his wife died, and since that time his foster daughter, Mrs. Minnie Croy, with her two children Neva and Cleo, have made their home with him and very tenderly cared for him in his declining years.

In his early youth he was converted and united with the Glady Creek Christian church, but after moving west, there being no Christian church at that place, he united with the Methodist church and remained a steadfast Christian to the end.

He was a veteran of the Civil war, being a member of Co. G 132nd Regiment receiving an honorable discharge at the end of the war. He was a member of the G. A. R. and Odd Fellows lodge of West Liberty.

Mr. Lance was highly respected in the community by all who knew him, and he will be missed by many who sought his counsel and help. He being the last of his family, he leaves no near relatives, but a host of friends who join Mrs. Croy and her children in mouring the loss of a friend.

ESSEX MOTOR CARS

Essex Sets World 24-Hour Road Mark of 1061 Miles

Unmatched Endurance Proof Made by Stock Essex Over Snow-Swept Iowa Dirt Roads

Already driven more than 12,000 miles, an Essex stock touring car has established a new world 24-hour mark of 1061 road miles, over frozen, snow-bound, dirt roads of Eastern Iowa.

Not a stop was made for repairs or adjustments. Running day and night, Essex completed the gruelling test without a halt except for fuel and oil. Not even a tire change was made.

The average speed was 47.3 miles per hour.

Essex Also Holds the World's 50-Hour Mark

An Essex stock chassis also holds the world's 50-hour endurance mark of 3037 miles, made under A. A. A. supervision, on the Cincinnati speedway.

In three starts, the same Essex ran a total of 5870 miles in 94 hours, 22 minutes, actual driving time, averaging more than a mile a minute.

Doesn't It Settle the Light Car Question?

Prior to Essex, light weight in an automobile meant principally moderate price, and perhaps gasoline and oil economy.

Light cars had no distinction of speed or power. Buyers did not expect fine appearance and performance.

The coming of the Essex changed that. It brought fine car quality, speed, power and endurance to the light car field. Its performance was matched only in the large costly car class.

Is it any wonder that Essex has made a world's sales record of more than $35,000,000 paid for 22,000 Essex cars, in its first year?

We are already booking orders for spring delivery. There is no possibility that all buyers can be served. Now is the time to make your reservation.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the *real* cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

Watch the Little Pimples; They are Nature's Warning

Unsightly and Disfiguring Signs of Bad Blood.

Pimples on the face and other parts of the body are warnings from Nature that your blood is sluggish and impoverished. Sometimes they foretell eczema, boils, blisters, and other skin disorders that burn like flames of fire.

They mean that your blood needs S. S. S. to cleanse it of these impure accumulations that can cause unhappiness, and this remedy is one of the greatest vegetable compounds known, and contains no minerals or chemicals to injure the most delicate skin.

Go to your druggist today, get a bottle of S. S. S. today, get rid of those unsightly, disfiguring pimples, and other skin irritations. It will cleanse your blood thoroughly. For special medical advice free, address Medical Director, 41 Swift Laboratory, Atlanta, Ga.

Get rid of Indigestion and Stomach Worries with "Pape's Diapepsin"

"Really does" put weak, disordered stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness due to acid fermentation—that—just that—makes Pape's Diapepsin the largest selling stomach antacid and regulator in the world. If what you eat ferments and turns sour, you belch gas and eructate undigested food or water; head is dizzy and aches; breath foul; tongue coated, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness. A box of Pape's Diapepsin tablets costs so little at drug stores too.

A Cascaret tonight straightens you out by morning. They work while you sleep.

A Missouri Woman Who Was "Down and Out"

Kansas City, Mo. — "Several years ago I was almost 'down and out' with woman's weakness. I suffered so I would be bedfast an entire week at a time. I had known of Dr. Pierce's Favorite Prescription all my life as a wonderful tonic for women, but I neglected trying it in my own case until I just had to resort to something for relief. Then I purchased a bottle and it certainly proved itself to be the right medicine. I then took Dr. Pierce's Golden Medical Discovery along with the 'Favorite Prescription' until I was eventually cured of this ailment. I have taken the 'Golden Medical Discovery' since for neuralgia and it gave me almost immediate relief."—MRS. BULA BIERMAN, 345 N. Hardesty Ave.

For Young Girls

E. St. Louis, Mo.:—"Before I married I suffered severely at times with backaches at certain times until I took 'Favorite Prescription.' I never took any medicine in my life that proved so beneficial as the 'Favorite Prescription' did. It not only relieved me at the time, but I have had no periodical trouble since nor backaches so have no hesitancy in recommending Dr. Pierce's Favorite Prescription to young girls who suffer, for I know it will benefit them just as it did me."—MRS. LOUIS GOLLERMANN, 2607 Palm St.
